

Worksheet 5: Two-sided arguments

For each of the following questions, decide what the two sides of the argument are.

- 1 Evaluate factors which could influence the successful operation of Just-In-Time (JIT) inventory management.

One side of the argument	Other side of the argument

- 2 Discuss how marginal costing could be useful for a business decision to make or buy a product.

One side of the argument	Other side of the argument

- 3 Advise the directors which option (Option 1 – Accept orders of customer A, B and C, Option 2 – Accept orders of customer A and B only) they should choose.

One side of the argument	Other side of the argument

- 4 Advise the directors whether Z Limited should purchase the machine to manufacture the new product.

One side of the argument	Other side of the argument

- 5 Discuss the directors' decision to issue the debenture to fund the planned expansion.

One side of the argument	Other side of the argument
